Miss Zener from the White factory is in attendance all this week.

You will be interested to see the product of over forty years' continuous effort by manufacturers to manufacture a high-grade family Sewing Machine.

The White is a quality product, thorough and through. Distinctive in design, thorough in execution, lasting and satisfactory in service. This is the reason why so many homes boast of having one of these machines.

THE LONGER YOU USE THE WHITE THE BETTER YOU'LL LIKE IT.

Begin to-day by joining our Club. A small payment down and easy weekly payments settles the remainder.

Private funeral services were held at the home of Mr. and Mrs. George H. Bishop, 167 Washington street, this afternoon, when a team made up of St. Johnsbury scale workers is to line up against the local school boys. A number of seminary students will appear before Barre fans for the last time, as they are members of the class which is to graduate next week. The seminary schedule closes next week at Burlington, when the team plays the signal corps. Today's game begins at 4:15 o'clock.

Rev. H. Philbrook Morrell of St. Lawrence university, Canton, N. Y., will deliver the baccalaureate sermon before the members of the Goddard seminary graduating class in the Universalist church Sunday forenoon at 10:30 o'clock. There are about thirty graduates in the commercial and academic departments of the school, which starts its 50th year next fall. Rev. Edgar Crossland, pastor of the First Presbyterian church, has been engaged to deliver the address at the graduating exercises of the commercial class at Goddard chapel Tuesday evening.

An echo of hotel matters in the village of Plainfield is contained in a news item from Rutland, which concerns a former Barre hotel man. Says the item: "Fred J. Bancroft, of Pawtucket, R. I., has brought suit in Rutland county court against William H. Snow and Amelia R. Snow of Wallingford to recover \$600. The plaintiff alleges that on Oct. 1, 1916, he leased to the defendants the Bancroft inn, located at Plainfield, for the term of one year. They agreed to pay \$30 a month the first six months and \$60 a month the second half-year. Mr. Bancroft asserts that the defendant defaulted on the rent."

After a long dull spell in police activities, the police made a round-up yesterday afternoon which landed four respondents in the lock-up. William Hamston of White River Junction and Alexander Harley of Newport acknowledged first offenses and elected the jail alternative of 10 days. John Ajala of Graniteville paid a fine of \$5 and costs for a first offense. His companion, Timothy Makela of the same village, admitted a second offense and pleaded for probation. The respondent cited his responsibilities as the father of five children and prevailed upon Magistrate H. W. Scott to suspend payment of a \$15 fine, with the understanding that Makela would abstain from the use of intoxicants for a year.

Catholic Foresters of Vermont closed their 13th triennial session yesterday afternoon and by early evening most of the seventy-five officers and delegates who have been here since Monday had left for their homes. Before adjourning, the Foresters adopted a resolution conveying their appreciation to the members of St. John's court for the hospitality shown them while they tarried in Barre. Rt. Rev. J. J. Rice, bishop of the diocese, returned to his home in Burlington immediately after the meeting. William H. Driscoll of St. Albans, who has served efficiently as secretary for some time, asked to be relieved of his duties, although he was unanimously endorsed for re-election. Further representations failed to swerve Mr. Driscoll from his decision, and Thomas B. Haley of Manchester Depot was elected to succeed him.

## Flag Day, Friday June 14

Friday has been set aside as official Flag Day all over the United States and should be a day to fly the U. S. Flag for our boys in the service. The homes that fly this Flag show a spirit of patriotism. We have some good prices on small and medium size Flags.

### Flags

Flags are cheaper than they were a year ago.

One lot of Cloth Flags on 12-in. sticks. These Flags are 4 1/2 x 7 inches and sell at 2c each, or 20c per dozen.

Same grade Flag as above, 16-in. stick, 6x9 inches, at 3c each, or 30c per dozen.

Fast Color Flag, 25-in. stick, 12x18 inches, at 10c each.

One lot of 12x18-in. Flags on 36-in. spear-head sticks, at 15c each.

One lot of Fast Color Flags, 12x18-in., in the web, at 5c ea.

One lot of Fast Color Flags, 24x40-in., in the web, at 25c each. This is a big trade, as you can furnish your own stick.

One lot of Fast Color Flags, 36x58-in. without sticks, these 75c, best printed flags.

One lot of 36x60-in. Flags with canvas heading and two brass grommets. These Flags are made of sewed stripes as the wool flags are made. A few of these, at 98c each.

Italian and American Silk Flags in small sizes at 19c and 25c each. Also large Silk Flags at 50c each.

### Paper Towels for Picnics

Some time ago, before the prices on all paper stock advanced, we bought a case of 17x35-in. Paper Towels. These Towels save washing, as they are to be thrown away as soon as used. The price is so very low that all users of automobiles should have a dozen or so of these Towels in the machine all the time. They will come in very handy. You will want more. We cannot get more at this price, 12 Paper Towels for 5c.

### Towels in Bargain Basement

One lot 18x31-in. Turkish Towels at 20c each.

One lot 21x44-in. Heavy Turkish Towels at 39c each.

Toilet Papers in Basement at 5c each, 2 for 25c and 3 for 25c. These are better than the price represents.

Odd lots of Knit and Muslin Underwear in our Bargain Basement.

You should visit this Bargain Basement every week.

### Ladies' Voile (Slip-On) Waists

We have just received a good line of new Slip-On Waists in Voile, also the Voile Slip-On Middle. These are the new popular wash waist that are in good demand at the present time.

These Voile Waists are made from a very fine quality Voile, made in a very neat tailored style. You will surely want at least one of these new, popular Waists.

The fine Voile Slip-On Middle is entirely new and is going to be very popular this season. These came made of a plain White Voile finished at neck, cuffs and around bottom with plain colors, such as Tan, Blue, Green, Pink and Rose.

See our new White Voile Smocks, finished at collar, cuffs and belt with the plain colors, such as Green, Blue and Rose.

You will need one of those \$2.00 Wash Jap Silk Waists, all colors, Black and White.

### White Wash Skirts

Wash Skirts are now in good demand. This bids fair to be the greatest White Wash Skirt season that we have ever seen. The price of woollens makes the demand for cottons greater than ever before.

Then you will find that the price of the cotton skirt has advanced but a very little from the past season, and the qualities of materials are fully as good as in past seasons.

White Piques and Bedford Cords are very good this season. These are cloths that wear well and always do up to look like new.

We have some especially good values in these Skirts at \$2.00, \$2.50, \$3.00 and \$3.75. These are a fine quality material, made up in the season's best Wash Skirt styles. All cloths are shrunk before they are made.

In the better grades, such as the Printzess and Wooltex Pre-Shrunk Skirts, we can give you some exceptional styles and values.
